

§ 124.102 What size business is eligible to participate in the 8(a) BD program?

(a) An applicant concern must qualify as a small business concern as defined in part 121 of this title. The applicable size standard is the one for its primary industry classification. The rules for calculating the size of a tribally-owned concern, a concern owned by an Alaska Native Corporation, a concern owned by a Native Hawaiian Organization, or a concern owned by a Community Development Corporation are additionally affected by §§ 124.109, 124.110, and 124.111, respectively.

(b) If 8(a) BD program officials determine that a concern may not qualify as small, they may deny an application for 8(a) BD program admission or may request a formal size determination under part 121 of this title.

(c) A concern whose application is denied due to size by 8(a) BD program officials may request a formal size determination under part 121 of this title. A favorable determination will enable the firm to immediately submit a new 8(a) BD application without waiting one year.

§ 124.103 Who is socially disadvantaged?

(a) *General.* Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias within American society because of their identities as members of groups and without regard to their individual qualities. The social disadvantage must stem from circumstances beyond their control.

(b) *Members of designated groups.* (1) There is a rebuttable presumption that the following individuals are socially disadvantaged: Black Americans; Hispanic Americans; Native Americans (American Indians, Eskimos, Aleuts, or Native Hawaiians); Asian Pacific Americans (persons with origins from Burma, Thailand, Malaysia, Indonesia, Singapore, Brunei, Japan, China (including Hong Kong), Taiwan, Laos, Cambodia (Kampuchea), Vietnam, Korea, The Philippines, U.S. Trust Territory of the Pacific Islands (Republic of Palau), Republic of the Marshall Islands, Federated States of Micronesia, the Commonwealth of the Northern

Mariana Islands, Guam, Samoa, Macao, Fiji, Tonga, Kiribati, Tuvalu, or Nauru); Subcontinent Asian Americans (persons with origins from India, Pakistan, Bangladesh, Sri Lanka, Bhutan, the Maldives Islands or Nepal); and members of other groups designated from time to time by SBA according to procedures set forth at paragraph (d) of this section. Being born in a country does not, by itself, suffice to make the birth country an individual's country of origin for purposes of being included within a designated group.

(2) An individual must demonstrate that he or she has held himself or herself out, and is currently identified by others, as a member of a designated group if SBA requires it.

(3) The presumption of social disadvantage may be overcome with credible evidence to the contrary. Individuals possessing or knowing of such evidence should submit the information in writing to the Associate Administrator for 8(a) BD (AA/8(a)BD) for consideration.

(c) *Individuals not members of designated groups.* (1) An individual who is not a member of one of the groups presumed to be socially disadvantaged in paragraph (b)(1) of this section must establish individual social disadvantage by a preponderance of the evidence.

(2) Evidence of individual social disadvantage must include the following elements:

(i) At least one objective distinguishing feature that has contributed to social disadvantage, such as race, ethnic origin, gender, physical handicap, long-term residence in an environment isolated from the mainstream of American society, or other similar causes not common to individuals who are not socially disadvantaged;

(ii) Personal experiences of substantial and chronic social disadvantage in American society, not in other countries; and

(iii) Negative impact on entry into or advancement in the business world because of the disadvantage. SBA will consider any relevant evidence in assessing this element. In every case, however, SBA will consider education, employment and business history, where applicable, to see if the totality
